## Instruments for Change: A ProDentUSA Recycling Initiative

Let's close the gap on dental healthcare and spread smiles, one instrument at a time.

Send us any **seven** used hand instruments, regardless of manufacturer, and we will send you one *ProDentUSA* hand instrument with a minimum purchase of \$250. Please note: each business is limited to recycling **35 instruments per year**.

- 1. Fill out the form below—ensure all fields are complete. The Recycling Authorization Code will be your order number once you place an order that meets the minimum purchase threshold. \*
- 2. Pack sterilized items, and ship to the address above using the carrier of your choice. Please note: ProDentUSA is not responsible for any lost recycling packages. Resin handle instruments will not be accepted.
- 3. Specify your desired free instrument(s) below.
